

For more than 40 years, CSF & Buxmont Academy has used the 5 Cardinal Rules as the foundation for safety in our programs. This year, the COVID-19 pandemic has led us to create additional norms for safety.

Our success is dependent on staying healthy and agreeing to the norms of our program. I recognize my efforts keep me and those with whom I interact safer and healthier.

As a member of the CSF & Buxmont Academy community, I AGREE to take active steps to protect the health and safety of every member of our school community and myself during this global pandemic.

1. Protect Myself

I will:

- Monitor myself for symptoms of COVID-19 daily and share with my school if I experience any COVID-19 symptoms.
- Wash my hands with soap and water for at least 20 seconds frequently, especially after being in a public place or after blowing my nose, coughing or sneezing, before touching food, and after using the bathroom. Use hand sanitizer at times when soap and water are not available.
- Avoid touching my face, mouth, eyes or nose.
- Avoid sharing food, drink, utensils or similar items.
- Minimize touching surfaces in shared areas.
- Practice responsible social distancing.
- Respond to calls, texts, emails or other forms of communication from contact tracers to enable tracking of the disease.
- Stay informed about health and safety updates or responses to COVID-19.
- Respond to messages/phone calls from staff who may be checking on my well-being or otherwise need my assistance.

2. Protect Others

I will:

- Have someone available to pick me up at school if I feel ill during the day.
- Wear face coverings in all instructional settings (classroom, labs, studios, outdoors, offices, school bus etc.).
- Maintain appropriate social distancing, especially in classrooms, labs, school bus, or in any shared indoor spaces.
- Observe the posted public health modified occupancy limits of shared indoor spaces and follow any signage directing traffic patterns or other social distancing precautions.

- Use PPE and cleaning supplies provided by the school.
- Stay home and contact the school if I feel ill or after possible exposure to someone who is ill or has tested positive for COVID-19 and avoid close contact with others.
- Adhere to limits on sizes of group gatherings.
- Respect social distancing signs, barriers, and protocols intended to assure social distancing between community members.
- Not have guests accompany me to school.

3. Protect CSF & Buxmont Academy and Local Communities

I will:

- Participate in contact tracing as instructed to preserve community health.
- Adhere to isolation and quarantine instructions if I test positive for COVID-19 or if I am exposed to someone who has tested positive.
- Know the Covid-19 travel quarantine list and will report to the school if I travel to any of those identified states. <https://www.health.pa.gov/topics/disease/coronavirus/Pages/Travelers.aspx>
- Provide responsible concern for others by encouraging social distancing and other health guidelines outlined here.
- Report any concerns regarding compliance to expectations outlined in the agreement to school staff.
- Demonstrate social responsibility by following public health guidelines in local businesses, public places, and on all public transportation. Show compassion, care and respect for other members of the community.
- Seek assistance from community staff or resources to support myself or other members of the community during this challenging time.

I understand COVID-19 is a highly contagious virus and it is possible to develop and contract the COVID-19 virus even if I follow all of the safety precautions above and those recommended by the CDC, local, state and federal health and medical professionals. I understand that although CSF & Buxmont Academy is following the coronavirus guidelines issued by the CDC, Pennsylvania Department of Health and other experts to reduce the spread of infection, I can never be completely shielded from all risk of illness caused by COVID-19 or other infections.

I have read, understand, and agree to comply with this agreement above.

Signature of Student

Date

- *As a parent/guardian I support the above agreement and will commit to have someone available to pick up my child at school should they become ill.*
- *As a parent/guardian I understand that we may be forced to move to a virtual learning environment for all students if the need arises.*
